Get yourself a compact SUV Škoda Yeti and you'll find it the perfect companion for both leisure and day-to-day use. Products from the **Škoda Genuine Accessories** range allow you to underline your vehicle's image, increase its practicality or customise the comfort features to exactly suit your needs. Škoda Genuine Accessories are essentially an extended range of the standard and extra equipment. This means that the products on offer have been approved by Škoda Auto.

The characteristic functional design of the Yeti can be made even more attractive by adding features from the **sport & design** category. In the same way you can highlight the off-road style of the vehicle, both inside and out.
